

# GROUPS AT CROSS POINT

## BREAKING THE ICE

Describe a time in your life where you got out of being comfortable with Jesus and instead became desperate for Jesus.

## MAIN CONTENT

On Sunday Bob mentioned a few different ways on how we can try to be like Jesus in our daily lives.

1. Care for others
2. Love people without agenda.
3. Be patient
4. Be vulnerable
5. Be one...not the same, but one.

1. In looking at the list above, what are some examples of how you are living "being like Jesus" out loud in your life?

We heard the in order to be one with each other we have to live authentic lives.

2. What does living authentically look like?
3. How are you living authentically with each other in your community group?

"When loving people has an agenda it's not love it's a program"

"Seek out the creepy people and love them with immense patience"

4. When reading these statements, what does it mean to love people without an agenda?
5. Are there people in your life that you are to love with immense patience? Has anyone in your life had to love you with the same patience?

# GROUPS AT CROSS POINT

Figure out what you want, use what you got and go and get it!

6. What do you want in life?

7. What in life do you have to help you achieve it? How is God guiding you to achieve it?

## CLOSING PRAYER

Jesus, thank you for being the perfect example of love. You delight in us and desire a relationship with us. Thank you for loving us with an immense amount of patience. Please help us to love others with the same kind of patience and teach us to live our lives according to that love. Amen

## ACTION STEP

Get uncomfortable. Do one thing this week that is out of your comfort zone and come back next week to your group to talk about what God revealed when you stepped out.
