

# SERIES GRAPHIC DESIGN PROJECT

Series graphics set the tone and the mood for a collection of messages. Series graphic brands will influence everything from the visuals on the screens during the service to the vibe of the lobby at every campus.

## PROJECT DETAILS

### DIRECTION

The purpose of the series is to help people to tap into their childlike faith, seeing God through the lens of a child again and trusting that God has a plan for their life.

Create 3 unique concepts for the series called 5-Star Life.
