## In the Books

What You Need: Board books about Jesus

What You Do: Sit together with your baby or toddler and look at board books about Jesus. Talk about all the amazing things He did.

What You Say: "Look at all these books! All of these books talk about a very special person! They talk about Jesus and the amazing things He did. Let's look for Jesus. There He is! (Talk about the miracles Jesus performed.) We can believe in Jesus because people knew Him and wrote down all the things He did. They told us all about Him. We can read about Him in the Bible."
