

# AWAKEN

## for the Next Generation

Awaken emphasizes the power of prayer to guide, strengthen and bring peace to us all – and that isn't limited by age. Awaken is an invitation to be a part of something bigger than us. We believe that the Next Generation is the forerunner in what God can and wants to do as we pray for renewal in the church, revival in the city and Awakening across Middle Tennessee. There is no junior Holy Spirit, so as you encounter God throughout Awaken, we invite you to bring the Next Generation alongside you with the following resourcing.

### ***Days 1-7***

- o Ask how they see themselves and how they think God sees them. What gifts did God give them that make them incredibly special and unique?
- o Talk about what it means to be a child of God.

### ***Days 8-14***

- o Ask if there is anything they feel stuck on. What would it look like to trust God with that thing?
- o Sometimes it is hard to do the right thing, the different thing. Talk about why it is so important to do things His way, even when it is hard.
- o Pray for people in their life that may be close to them, but far from God. Talk together about how they could show Jesus' love to them.

### ***Days 15-21***

- o Talk about worries and how we can trust God with them. Ask what they may be worried about and what it could feel like to let it go.
- o Ask God together if there is a friend that we need to ask to forgive us or that we need to forgive. Talk through how to start that conversation.

### ***Days 22-28***

- o Ask if there are people in their life who are having a hard time. Take time to pray for them and remind them how they can encourage them.
- o Pray that God would use the unique gifts given to each of us to share the good news of Jesus. Celebrate the gifts of each other and talk about how God can use them to love people well.
