MARK

THE
GOSPEL
OF MARK

For the first time ever as a church, we're diving headfirst into a year-long journey through the Gospel of Mark. That's right. One book. One year. Verse by verse. Chapter by chapter. From now until Easter 2026.

If you're wondering, "Why Mark?" the answer is simple — because Mark doesn't waste time. It's fast-paced. It's raw. It's gritty. And it was written in a moment of chaos to boldly declare that: **Jesus is King.**

Every heart longs for a King like Jesus; most people just don't know it yet. Our world needs to know there's somebody you can trust. Someone worth following. Someone who came not to be served, but to serve—and to lay down His life as a ransom for many. It's not just ancient history. It's a bold, living declaration: **Jesus still reigns. Jesus still restores. Jesus still saves.**

MONTHLY READING PLAN

This isn't about checking a box; it's about walking with Jesus one story at a time. Our suggestion is to read through the whole book of Mark once a month (It takes roughly 60 mins to read the book in one go.)
